International People with Disabilities Day

Thursday, December 1, 2022

Not All Disabilities Are Visible

Celebrated in December, People with Disabilities Day promotes disability awareness, inclusion, and self-determination for all. Cosumnes CSD strives to ensure that each person with a disability - whether the disability is visible or invisible - has an opportunity to achieve the highest possible quality of life. Join the Cosumnes CSD and Recreation Adventures (RAD) program as we recognize International People with Disabilities Day.
